SOUTHEND-ON-SEA GENERAL HOSPITAL

THE REPORT

For the first time since the war started, the Annual Report appears in what is, more or less, its pre-war form. A full list of Subscribers, Donors, Box Collections, etc., is included, and your Board are pleased to be able publicly to acknowledge the generosity of the many people who are maintaining their interest in the Hospital.

STATISTICS.

<i>Patients Treated—</i>		1938	1945	1946
In Patients	5067	4186	5394
Average stay of ward patients (in days)	15.49	14.05	13.25
Average No. of beds occupied daily	214.61	161.12	195.77
<i>Out Patients—</i>				
New Cases	20,810	24,925	25,873
Attendances	81,027	65,906	74,702

The volume of work of both In and Out-Patients has continued to increase and for the first time the number of new patients has exceeded that of a pre-war year. As Eleanor Hobbs ward was only re-opened in October, 1946, the average number of beds occupied daily during 1946 was, although higher than in 1945, not up to pre-war level, but the 5,394 In-patients treated, exceeded the number of patients treated in 1938 by 329. The average stay of patients in the ward was reduced from 15.49 days in 1938 to 13.25 days in 1946. The number of new Out-patients seen during 1946 amounted to 25,873 and has exceeded that of any previous year. The number of subsequent attendances, although above that for the year 1945, is well below that of the year 1938.

FINANCE.

Both the Income and Expenditure have increased considerably during the year 1946. The income has increased by £24,704 from £65,731 in 1945 to a record total of £90,435 for 1946. Amongst the items of Income which deserve mention are receipts from Voluntary sources. The Annual Subscriptions and Donations have far exceeded all expectations in view of the forthcoming nationalisation of hospitals. For the first time since

1939 the revived Carnival Association has contributed the magnificent sum of £1,650 which was the result of the Hospital Day at the Kursaal held on the 7th September, 1946.

The increase in the receipts from patients and their societies is due firstly to the increased number of In and Out Patients treated during the year 1946, and secondly from the increased membership of the Contributory Schemes, which indicates that the Contributory Schemes movement, rather than remaining still, is operating with greater enthusiasm. Public Authority Contributions have increased, £2,000 of which is in respect of the treatment of school children under the provisions of the Education Act, 1944.

As a requisite to the receipt of grants from the Ministry of Health, your Board have undertaken to realise all securities held for General Fund purposes and in this connection all the securities have been realised with the exception of one mortgage security. Arrangements are also being made for the sale of the four properties given to the hospital by Mr. A. D. Martin in 1943.

The expenditure has risen from £70,308 in 1945 to £96,777 in 1946, the explanation being mainly the increase in salaries and wages, of commodity prices and the greater volume of work which the Hospital has undertaken as illustrated in the statistical tables. In these circumstances the deficit of £6,342 for the year 1946 is considered satisfactory in view of the difficult and uncertain conditions under which the Hospital has functioned.

The cost per In-patient per week was £7 12s. 0d. being an increase of 18s. 4d. per week on the previous year. Although the number of beds available for use has increased, due to the opening of the Eleanor Hobbs Ward, the increased cost is a result of the additional charges that the Hospital has had to meet during the year. The average cost of each Out-Patient was 14s. 11d. compared with 11s. 6d. in 1945 and the average cost of each Out-Patient attendance has risen from 3s. 0d. in 1945 to 3s. 10d. in 1946.

NOTABLE GIFTS.

A complete list of subscriptions and donations is printed elsewhere in this report, but it is felt that special attention should be drawn to the following gifts :—

					£	s.	d.
Alexandra Rose Day Committee			170	0	0
E. K. Cole Ltd.	350	0	0
Diekens Fellowship	57	10	0

	£	s.	d.
Mr. & Mrs. A. Hazard (half proceeds of Darts Match)	50	0	0
Hospital Dances at Pier Pavilion, per Mr. & Mrs. H. Hyams	100	0	0
Hospital Dances at Pier Pavilion, per Mr. & Mrs. H. Hyams (Special Funds)	269	11	4
Mrs. Lipousky	100	0	0
Southend Charity Football Competition ...	131	7	0
Southend Licensed Victuallers Association ...	200	0	0
Southend Music Club	317	10	9
Southend Tennis Tournament Committee ...	130	0	0
Southend United Football Club	131	5	0
H.M.S. Westcliff	427	19	7

By the gifts mentioned above and donations at other times, the Southend Licensed Victuallers Association and the Southend Tennis Tournament Committee were enabled to name beds, and suitable tablets have been placed in the Sportsmens' Ward.

THE PROVIDENT FUND.

The result of the year's work of the Provident Fund constitutes a record.

The gross income shows an increase of £2,041 which is entirely due to an increased membership.

The payments to other Hospitals for treatment of members and payments for other benefits shew an increase which was anticipated. The cost of administration at 8.88% of gross income is still a matter of gratification to the Committee.

With the prospect of the National Health Service in view it was generally expected that the membership of Contributory Schemes would have fallen but it is pleasing to record that in respect of this Fund we have shewn an increase.

The Committee have already expressed to all the Honorary Group Secretaries and Collectors their sincere appreciation of their work in connection with the Hospital and the Board of Management take this opportunity of endorsing that appreciation and also to the members of the Committee for their interest in the work.

The Board are arranging for a Plaque to be placed in the Out-Patients' Hall to commemorate the voluntary efforts of all those who built up the Provident Fund which has been of such valuable assistance in the maintenance of the Hospital during the past 14 years.

OBITUARY.

Every year it is our sad duty to report the death of good friends of the Hospital. Mrs. Clinch and Dr. P. C. Bennison both served for many years on the Board of Management and their loss is much regretted. Mr. A. Tudor Edwards, M.D., F.R.C.S. who honoured us in 1945 by accepting the position of Honorary Consulting Surgeon, was a pioneer in surgery of the chest, and world renowned. Mr. A. G. Waller was from 1932 until a few years before his death, one of the joint Auditors to the Hospital. He was always willing to help the Hospital, and his services extended far beyond the terms of his appointment.

DOWSETTHOLME.

The property formerly known as "Restholme," Lifstan Way, has been temporarily let to the Hospital at a peppercorn rent by Miss E. O. Dowsett for use as a Nurses' Home, and has been re-named "Dowsettholme" in memory of the late Alderman H. A. Dowsett, J.P. Miss Dowsett has also generously consented to pay the rates and taxes and has given a donation of £50 for additional comforts and Messrs. E. K. Cole Ltd., have kindly presented a wireless set. Ten night nurses took up residence on Monday, 14th October. We are very grateful to Miss Dowsett for providing this splendid addition to the Hospital's facilities.

X-RAY DEPARTMENT.

Your Board are determined that when the Hospital is handed over under the National Health Act, it shall be as up-to-date and efficient as possible. With this in mind, steps have been taken to renew the diagnostic and treatment equipment of the X-Ray Department and a Victor Maximar Deep Therapy Set costing £1,990, has been installed, and a Westinghouse Shock-proof Radiographic and Therapy X-Ray Unit will soon be delivered. This last item is being supplied on loan from the Ministry of Health. The work in this Department, as in the rest of the Hospital, continues to increase, and it is hoped to bring the total of radiographers to four, as soon as applicants are available. The first three pupils of the School of Radiography will be sitting for their final examinations during 1947.

DECORATIONS AND EXTENSIONS.

The War has necessitated an almost complete cessation of re-decorating and extensions to the Hospital Buildings, and efforts have been made during the past year to make up for this lapse. The Out-patient Hall has been completely repainted and essential repairs and painting have been put in hand at "Battle-

hurst" and "Greystoke." Our own staff have redecorated the Nurses and Maids sitting rooms, parts of Matron's Cottage, the Main Hall and the Department of Physieal Medicine, as well as numerous smaller rooms, bathrooms, etc. Eleanor Hobbs Ward was completely repainted before re-opening, and the Labour Ward has been converted into a Gynaecological Theatre. The Pathological Laboratory has been re-designed in part and a new extension erected in the Mortuary Building. The Accountant's office has long been too small and a new building consisting of three rooms, has been erected. An accumulation of re-upholstering has been largely dealt with and all of the Nurses' sitting room furniture has been recovered.

It is now urgent that the complete external painting be put in hand. This will be a heavy item of expenditure, but your Board feel that all steps must be taken to ensure the preservation and improvement of the Buildings.

GIFTS FROM DOMINIONS.

During the year the Hospital has continued to receive gifts of sweets, preserves, dried and tinned fruit and other food-stuffs from the Dominions. Individual thanks have been sent, but your Board wish to place on record their feeling of gratitude for this generous action towards the Motherland.

VICTORIA NURSING HOME.

The admission of private maternity patients to the side-wards of Eleanor Hobbs Ward was discontinued on the 8th July and the ward was re-decorated and re-opened later for gynaecological cases only. Your Board consider it essential that accommodation should be available for maternity cases, and have recently concluded negotiations for the purchase of the Victoria Nursing Home. The Ministry of Health approve of this purchase and are paying a proportion of the cost, the balance of the Memorial-Wing Fund being used to complete the purchase. In these difficult times delay in re-opening this Home is inevitable, but urgent action is being taken to expedite the date when it can again be put into use. Accommodation will be provided for 21 patients. Further enquiries are being made with regard to other suitable properties, as the demand for hospitalisation continues to grow.

VISITING MEDICAL STAFF.

Once again your Board desire to place on record their appreciation of the excellent and untiring efforts of the members of

the Visiting Medical Staff who have been called on to deal with more cases this year than ever before. The following appointments to the Staff have been made since the last Report:—

Dr. J. Alfred Lee, M.R.C.S., L.R.C.P., D.A.—

Anaesthetist

Dr. P. M. Deville, M.R.C.P.—*Physician for Diseases of the Skin*

(Both these gentlemen formerly held temporary posts).

Mr. A. K. Monro, M.D., F.R.C.S.—*Surgeon*.

Mr. H. Gordon Ungley, M.D., F.R.C.S.—*Assistant Surgeon*

Miss E. M. Whapham, M.D., F.R.C.S., M.R.C.O.G.—*Gynaecological and Obstetrical Surgeon*

Dr. R. H. Dobbs, M.D., M.R.C.P.—*Physician for Diseases of Children*

Mr. Geoffrey Knight, Neurological Surgeon, resumed his duties at the Hospital in August, and Mr. Leslie Oliver has also been attending as an associate Neurological Surgeon. Mr. Knight has since intimated that his commitments elsewhere will necessitate resignation in the near future and another appointment will be made in due course.

RESIDENT MEDICAL STAFF.

Dr. J. N. H. Jones has been re-appointed Medical Registrar and also continues very ably to discharge his duties as Senior Resident Medical Officer.

Mr. A. K. Monro joined the R.A.F. in April, 1946, after seven years excellent service as Surgical Registrar. Your Board are pleased that Mr. Monro will be able on his release from the Service to continue to serve the Hospital as a member of the Visiting Medical Staff, and hope that the association will be a long and happy one. Mr. John Borrie, F.R.C.S., of Dunedin, New Zealand, was appointed to succeed Mr. Monro.

Permission has been obtained to increase the Resident Medical Staff beyond the present total of seven, thereby providing the opportunity to reorganise the duties of the members of the Staff.

APPEALS COMMITTEE

The work of the Appeals Committee has been much more difficult this year, not only in regard to special events such as those mentioned below, but also in respect of the maintenance

of subscriptions, donations, etc. The total amount raised from voluntary sources has exceeded all expectations and your Board feel that a special vote of thanks must be accorded to Mr. W. R. Masters, Chairman of the Appeals Committee, for his work in this connection.

HOSPITAL SATURDAY

Your Board feel that this section of the Appeals Organisation is one of the most thankless tasks, especially in the case of actual street collections, but due to the kindness and enthusiasm of a number of our good friends and workers the result this year was £1,121.

Valuable support was given by Messrs. E. K. Cole, Ltd., the Shoeburyness Garrison, the Southend Stadium, the Rivoli Cinema, and the Gaumont Cinema, all of whom permitted us to collect within their premises.

HORSE SHOW AND GYMKHANA

The event took place this year at Shoeburyness Garrison and was held in conjunction with the R.A. Association festivities. The two events spread over the August Bank Holiday weekend.

The Horse Show Committee, consisting mainly of our local farmers, had full control of the Horse Show, which took place on August Bank Holiday Monday. The Open Jumping competition was even more successful than on the previous occasion. Many new items were introduced.

Much could be said of the members of the Committee, each had a specified duty to perform; but space will not permit; let us record our gratitude to each of them, to their Chairman, Mr. Alec Steel, J.P., and their Vice-Chairman, Mr. Caleb Rayner, for the grand result which added £1,200 to our income.

We would also express our appreciation of the interest taken and help given by Brigadier H. S. Lickman, Colonel Boswell and the Officers at Shoeburyness Garrison.

HOSPITAL DAY AT THE KURSAAL

The idea of this event was born at a meeting of the Carnival Association, which has decided to re-establish its activities for the benefit of the Hospital.

Mr. F. E. Williams, the Managing Director of the Kursaal was approached and he not only gave the scheme his blessing,

but set to work, with the co-operation of his colleague Mr. C. J. Morehouse, the Directors, Staff Concessionaires and Stallholders, with the result that it was the biggest and most successful one-day effort ever held in the Borough.

The Board of Management, through its Chairman, Mr. Chalton Hubbard, J.P., has on several occasions had the opportunity to express sincere thanks to all who took part, especially to our friends at the Kursaal on whom most of the burden fell. The Kursaal Bed has been named in memory of those Amusement Caterers who lost their lives during the war.

A Hospital Exhibition was held during the period, and was a great success. Matron, the Assistant Matron, Sisters and Nurses, together with some of your Committee ladies took charge and explained the various exhibits to the public. The Blood Donors section was organised by Dr. John O. Oliver and many volunteer blood donors were enrolled, not only for our own Hospital but for other districts, especially those around London.

An immense amount of work on posters, cards and tickets, etc., explaining the exhibits, was carried out gratuitously by Mr. George Horton.

This fine effort contributed £1,650 to our funds.

THE HOSPITAL AUXILIARIES.

Mention is made elsewhere, in greater detail, of the work carried out by those indefatigable Auxiliaries of the Hospital, the Ladies Working Party, the Linen League, the Emmanuel Committee and the Samaritan League, but our most grateful thanks are due and are here recorded.

They all serve a double purpose in that they provide gifts in kind or in money and also serve to keep the Hospital's friends and well wishers together in maintaining an active interest in all the Hospital's affairs.

SOUTHEND HOSPITALS ADVISORY COMMITTEE.

Your Board are pleased to be able to announce the formation of the above Committee, consisting of members of the Board and representatives of the Southend Corporation, which has met on numerous occasions during the past year, under the alternate chairmanship of His Worship the Mayor, Ald. S. F. Johnson, J.P., and Mr. Chalton Hubbard. Its object is to advise on all matters of interest common to the Hospital and the Corpor-

ation. It has proved an excellent means of co-ordination and co-operation and will, it is hoped, serve to draw the two hospitals into an even closer contact until the day when they are grouped under National Health Service Act.

NURSING STAFF.

On the nursing side the Hospital has had to face many difficulties during 1946 but on the whole we have fared as well as most other hospitals. The ideal position which one day we hope to achieve is to have two nursing staff to every three beds, that is, in our case, 166 nurses including administrative day and night and departmental staff. We have an average of 126 so we must find another 40 nurses to bring our total up to the figure required. We have eased the position by the employment of 17 ward orderlies, both male and female, on day and night duty and they have proved a very great help in the basic non-nursing work and relieved the nurses for the more technical duties. However, they cannot entirely replace nursing staff and that is our urgent need.

Amongst our ranks we welcome student nurses from Greece and also we have had one Danish Nurse, Miss Beech, who came for three months postgraduate experience. We hope for more foreign nurses this year and are maintaining contact with the International Council of Nurses.

The following appointments have been made during the past year :—

Miss Garrett as Sister in Charge of Theatres from July.

Miss E. E. Gray, as Sister in Charge of Casualty from July.

Miss S. M. Gray, as Sister in Charge Elizabeth from July.

Miss Edwards, as Sister in Charge Eleanor Hobbs from November.

The Hospital Examinations were held in June and October, 1946. First year: 16 candidates. Nurse Lowen gained 84% and Nurse Thorogood 83%. Third year: 18 candidates. Nurse Saunders 86% and Nurse Anderson 82%. In June Miss Clarke examined the candidates in Practical Nursing and Mr. Peter Martin and Dr. Rowland Hill set the papers in Surgery and Medicine respectively. Dr. Jones conducted the oral examination in Medicine. In October Mrs. Burrows conducted the practical Nursing examination and Mr. Barlow and Dr. Sleigh Johnson examined the candidates in Surgery and Medicine respectively.

In the State Examination, 14 nurses passed the Preliminary and 20 nurses passed the Final Examination. The results have been very good and the nurses have benefitted by the study days arranged for them.

The general health of the nursing staff has been very good and the average days off sick per nurse the lowest since the Hospital opened, namely 8.12. The Resident Medical Officer (Dr. J. N. H. Jones) has given much time to the care of the nurses' health and his daily clinic has been much appreciated by them. The nurses sick bay has been transferred from Elizabeth Ward to Eleanor Hobbs Ward, where a four-bedded ward has been adapted for this purpose.

We have had many important visitors during 1946 among them the Chief Inspector of the General Nursing Council who visited and inspected the Hospital training school in January, 1946, and was very satisfied with the facilities for training provided here, and for the curriculum and methods adopted. On October 24th two Staff Nurses volunteered for the Ministry of Health working party for a test career day at the Royal Free Hospital, and the working party visited this Hospital on October 30th, Dame Katherine Warr representing the nursing side. Miss Dreyer, Matron-in-Chief L.C.C. Hospital Services visited the Hospital on November 15th to see the Hospital, and discuss nursing problems, shorter hours and the study system.

On August 10th the Countess of Radnor kindly presented the prizes and certificates to the Nursing Staff and addressed the graduating nurses afterwards. The Hubbard Gold Medal was awarded to Patricia Mary Barnes and the Saunders Silver Medal to Jean Webster. A large gathering of those interested in the Hospital, past Staff and medical and nursing staff and their friends enjoyed the function and tea which followed. Many tennis matches were played in spite of the brief summer and the court was often used. Hockey is beginning again now the pitch is less like a ploughed field. Musical evenings have been regularly held, and greatly enjoyed and the Nurses have been responsible for arranging all these activities.

Matron has received news from many past members of the Nursing Staff during the year and they send their good wishes to the present staff.

Matron's Christmas Fund totalled £342 11s. 3d. and our thanks are due to those generous friends who contribute so enthusiastically to that Fund each year. Christmas Day was spent in the traditional way and the turkeys, puddings, crackers, toys and gifts were up to the pre-war standard, as was the

Christmas spirit of goodwill. Many friends in New Zealand, Australia and Canada sent us food gifts.

Gifts in kind, numbering 425, were acknowledged but it is impossible for individual thanks to be sent to all the many friends and supporters who help us so nobly all through the year—the schools and their teachers, the churches, the clubs, societies and individuals. The Hospital spirit could not be so sustained were it not for all this help.

SUPERNUMERARY APPOINTMENTS.

The Postgraduate Study Scheme for doctors who have served in the Forces has been continued during the past 12 months. Dr. Firth of Cambridge University who administers this Region, has been most impressed with the facilities afforded and the officers themselves have all been very grateful. Three of these gentlemen have obtained higher qualifications during their stay with us. We have 5 doctors in supernumerary appointments at the moment, and it is anticipated that 2 more will be appointed in the near future.

PURCHASE OF RADIUM.

The Hospital was bequeathed in 1938 the sum of £1,000 under the will of the late Mr. A. M. L. Bohrman to be applied towards the purchase of Radium. The war prevented the terms of the bequest being fulfilled until July, 1946, when we took delivery of 100 mgms. A special radium safe has been purchased to ensure safe keeping, and many patients have already benefited from this acquisition.

TREATMENT OF SCHOOLCHILDREN.

Under the provisions of Section 48 (3) of the Education Act, 1944, the responsibility for the cost of treatment of children attending State Schools is placed upon the Local Authority. As from the 1st December, 1946, schoolchildren have been treated without charge, and your Board are conducting negotiations with the Corporation as to the details of payment.

SERVICES RENDERED.

It is not possible to pay adequate tribute to the many acts of kindness shewn to the patients and staff of the Hospital, but special mention should be made of the following :

The Honorary Chaplains, the Ven. Archdeacon E. N. Gowing, M.A., the Rev. R. Kennedy, the Rev. Canon Patrick McKenna and their assistants.

The Manager and the Organist (Mr. Reginald Foxwell) of the Odeon Cinema, who have continued the very welcome organ recitals for patients.

Mr. Bernard Edwards, Mr. S. W. Jennings and Mr. C. J. Vanni, who gave up so much of their valuable time to maintain the Hospital's wireless equipment.

Mr. E. D. Jackson, Honorary Solicitor, who during the past year has had even more legal work than usual to do on behalf of the Hospital.

Mr. H. Langdon Dowsett, F.S.I., F.A.I., J.P.

The Honorary Horticulturist, Mr. L. A. Huddart, who has been available at all times to give advice and assistance.

The ladies who assist from time to time in the Linen Room, Wards and Departments including members of the St. John, and B.R.C.S. Voluntary Aid Detachment.

The Highlands and Leigh Heath Branch of the Townswomen's Guild who provide and maintain the patients' library.

To all of these and to many others whom it is not possible to mention, the Board extend their warmest thanks.

THE "APPOINTED DAY."

The National Health Service Act is on the Statute Book and the Minister has announced that the "Appointed Day" for the transfer of the Hospitals may be the 1st April, 1948. Every effort is being made to maintain and improve the services available at the Hospital, so that the Minister will take over, in the Southend General Hospital, an institution as fine as any in the Country. But the work will not cease then. It must continue to grow and expand and, while the financial aspect will be removed from our sphere, the problems of administration, of staffing and equipment, of the patients' welfare, will remain, to be dealt with by a Committee which will we hope, retain in no small measure, the spirit and tradition which have characterised the Voluntary Hospitals during their centuries of Public Service.

STAFF.

In conclusion, the Board pay a warm tribute to the good work of the Visiting Medical Staff, the Nursing Staff, the Resident Medical Staff, the Domestic Staff and the Administrative Staff. Their loyal co-operation and unstinted personal service have done much to maintain the prestige of the Hospital during a very trying year.

On behalf of the Board of Management,

CHALTON HUBBARD, *Chairman.*

JOHN WILLIAMS, *House Governor and Secretary.*

The COUNTESS of IVEAGH
C.B.E.

MISCELLANEOUS INFORMATION

Admission of Patients

Accidents and Emergencies are admitted at all times. All other cases, whether in or out-patients, are admitted only on the recommendation of a Medical Practitioner.

There are no subscribers' letters of recommendation ; cases are admitted according to the degree of urgency.

The general wards of the Hospital are reserved for those persons who cannot afford to pay for the medical treatment they receive, but all patients who are in a position to do so are asked to contribute towards the cost of their maintenance.

VISITING REGULATIONS

General Wards

The following are the days and times on which patients may be visited.

Adults ... Wednesdays and Sundays, 2.00—3.30 p.m.

Children ... Wednesdays and Sundays, for one hour as arranged by the Ward Sister (Parents and Guardians only).

Children under 14 are not allowed to visit the wards. Not more than two visitors are permitted to visit a patient at the same time.

Visitors who have been in contact with cases of infectious disease are asked to refrain from visiting the wards.

Patients on the danger list may be visited at any time.

BEDS FOR PRIVATE PATIENTS

Twenty-one beds have been provided for the benefit of those persons who, while of limited means, are above the limit of income of patients generally admitted to a Voluntary Hospital, and also for those persons who need such special investigation or treatment as can only be given at a fully-equipped Hospital. They are arranged in four-bed, two-bed, and single rooms, and the Hospital charges are £8 8s. 0d. per week for single rooms and £6 6s. 0d. per week for the other rooms. Extra sums are charged for use of Operating Theatre, Pathological and X-Ray examinations, massage, and so forth. All medical fees are a matter for arrangement between patient and doctor.

Patients may be visited daily between 2 and 4 p.m. and otherwise by special arrangement. Tea will be supplied to visitors if notice is given to the Sister in Charge.

Patients on the danger list may be visited at any time.

REPORT OF THE AUDITORS OF THE SOUTHEND-ON-SEA
GENERAL HOSPITAL.

We have examined the accompanying Balance Sheet of the Southend-on-Sea General Hospital dated 31st December, 1946, and the Income and Expenditure Account for the year ended 31st December, 1946, and compared them with the Books, Accounts and Vouchers of the Hospital and certify that they are correct and duly vouched.

We also certify that to the best of our knowledge and belief the regulations of the Revised Uniform System have been followed. We have verified the holdings of the Hospital in the Securities comprised in the Hospital Endowments, etc., shown on the Balance Sheet.

BLOOD TRANSFUSION SERVICE

Volunteer Blood Donors are *urgently needed* to maintain the hospital panel.

Experience gained during the War has confirmed the value of blood transfusion as a great saver of life: it has also shewn how rapidly many patients recover from serious illnesses and severe operations if blood is given. Finally it has demonstrated conclusively the harmlessness to the Donor—indeed many feel improved in health as a result of blood donation.

The system of blood storage, first adopted during the war, allows a “bank” to be in constant readiness with great convenience to blood donors who can be bled at regular sessions—the *Regular Panel of Donors*.

Sometimes, however, emergencies arise for which absolutely fresh blood is still essential and a *Special Emergency Panel of Donors* is maintained to meet this need. Such donors are called to the Hospital at short notice by telephone.

WILL YOU VOLUNTEER FOR ONE OR OTHER OF THESE PANELS OF BLOOD DONORS? If so please complete the form opposite and send it to the Hospital.

Notes For Volunteers.

1. Everyone between the ages of 16 and 65 is eligible (those below 21 require Parent's or Guardian's consent).
2. Blood Donors are not called upon more frequently than once in six months.
3. Special Emergency Panel Donors will have out-of-pocket expenses paid by the Hospital Authorities.
4. Further particulars can be obtained from “The Pathologist” at the Hospital. Telephone : Southend 3383.

HOSPITAL AUXILIARIES

LADIES WORKING PARTY

The Ladies Working Party have since 1933 given the magnificent sum of £9,000 to the Hospital. At the Annual General Meeting in January, 1947, a cheque for £500 was handed over to the Hospital and a bed is to be named in the Eleanor Hobbs Ward as well as a tablet to commemorate the efforts during the past fifteen years. During the past year meetings have been held every alternate Tuesday at 20, Warrior Square and many whist drives, a very happy garden party and a Musical Tea and Sale which raised over £136, have been organised. Among the larger gifts in 1946 may be mentioned £100 for new equipment for Schools Ward, £40 for cretonne for loose covers in the Nurses' Sitting Rooms, and £28 0s. 0d. for dressing gown material for the Eleanor Hobbs Ward. Additional helpers are very welcome.

President : Mrs. Gordon Hopkins
Hon. Treasurer : Mrs. R. C. N. Muggleton
Hon. Secretary : Mrs. C. W. Beale
Subscription Sec.: Mrs. K. Adcock.

THE HOSPITAL LINEN LEAGUE

The Linen League have continued their operations during the war but they have not, owing to National conditions, been able to supply their Hospital with so many articles as during the years prior to the war.

The League have been able, however, by means of the Garden Parties, Whist Drives and other efforts, to give 6,250 articles to the Hospital since 1939. The outstanding event was a Garden Party and Fete held by kind permission of Mrs. Alec White at "Ewlands" in 1945, when over £200 was raised.

As new articles became difficult to obtain the League undertook the repair of Hospital Linen and other articles of which thousands have been repaired at the weekly meetings of the workers.

OFFICERS :

<i>President</i>	Mrs. J. W. Burrows
<i>Chairman</i>	Mrs. Chalton Hubbard
<i>Vice-Chairman</i>	Mrs. Earle
<i>Hon. Treasurer</i>	Mrs. Pamment
<i>Asst. Hon. Treasurer</i>	Miss H. Scott Wattson
<i>Hon. Secretary</i>	Mrs. D. D. Evans
<i>Asst. Hon. Secretary</i>	Miss M. Blennerhassett
<i>Purchaser</i>	Mrs. Harriss

EMMANUEL COMMITTEE

The Emmanuel Committee has continued to meet regularly every other Monday, at 16, Galton Road, and has also held many whist drives and a very successful sale of work which realised just under £240. Altogether nearly £400 has been raised during the past year. Six hundred articles have been purchased for use in the Hospital and many items of equipment also supplied, notably lockers for the Emmanuel Ward and a sewing machine for the Linen Room. Ladies who would like to identify themselves with the Children's Wing are warmly invited to contact one of the Officers who will be very pleased to supply further details:—

President : Mrs. A. G. Rita
Hon. Treasurer : Mrs. E. Lawford
Hon. Secretary : Mrs. W. J. Wood

SAMARITAN LEAGUE

President : Mrs. CHALTON HUBBARD

Chairman and Hon. Treasurer :

EDMUND STONE, M.B.E.

Hon. Secretary :

C. G. PEARSON

Last year was the 13th year of this League's welfare work for hospital patients and all round increases were recorded in its activities.

During the year 147 visits were made by the Committee visitors to patients in their own homes in the Borough and surrounding districts and increased grants of money were made from the Samaritan League and the Ingram Fund to help necessitous cases when surgical instruments and appliances were ordered by the medical staff.

The League Visitors have reported from time to time many expressions of gratitude from patients who have benefited by the help afforded and advice given them during their convalescence which has enabled them to make good progress in their recovery.

The Hospital Car Service has also been in great demand, over 2,700 patients being conveyed to Hospital who were unable to use public transport. Very hearty thanks are due to car owners, drivers and the Transport Officer for giving so much of their valuable time to this service.

Many more cars are needed to make this work easier to all concerned and offers of help will be gratefully received by the Hon. Secretary of the League.
